

Trade In & Trade up!

Trade in your legacy GasAlertMax XT or GasAlertMicroClip for a GasAlertMax XT II, GasAlertMicroClip XT or GasAlertQuattro and upgrade to improved product performance and full two year warranty.

Receive a \$50 rebate for units manufactured before 2010 and \$75 for units manufactured after.

GasAlert MicroClipXT

- Multi-gas versatility with one-button simplicity
- Incredibly thin and lightweight, making it comfortable to wear
- Continuous visual compliance with IntelliFlash

GasAlert Quattro

- Continuous visual compliance with IntelliFlash
- Interchangeable power options with extended battery runtimes for longer shifts
- Field-proven SureCell sensors offer an unprecedented performance in even the harshest environments

GasAlert MaxXT II

- Integrated sampling pump with reliable diaphragm technology
- Best in class block detection with semi-conductor pressure sensor
- Compact, comfortable and field tough

Bonus offer!

Order any combination of 20 GasAlertMicroClip XT, GasAlertQuattro or GasAlertMax XT II units and receive a \$100 rebate on any one MicroDock II system or module!

Program Details

Trade In & Trade Up Promotion

- Customer must mention at the time of order that they intend to take advantage of the rebate program by adding the promotional code **2012MGRPROMO** to their purchase order.
- Units must be sent in via the RMA process along with the sales order number to be eligible for rebate.
- Units must be in working condition to be eligible for the rebate.
- Units must be returned within 60 days of the sales order to be eligible for the rebate. The warranty period of the unit will be based on when the sales order is placed.

MicroDock II Bonus Promotion

- The purchase of the MicroDock II system or module must be on the same purchase order as the Multi-Gas detector order.
- A maximum of one \$100 discount can be applied per MicroDock II system or module. If the criteria is met to get multiple \$100 discounts, (40+ Multi-Gas units) then multiple MicroDock II systems or modules must be purchased to be able to take advantage of additional discounts.
- Customer must mention at the time of order that they intend to take advantage of the promotion by adding the promotional code **2012DOCKRPROMO** to their purchase order.

Available May 1, 2012 through October 31, 2012.
