

## Marine calibration

A leading provider of rotation management systems and calibration instruments

# About us

IKM Instrutek provides products and services to the shipping, offshore, industrial and public sectors.

We have expertise in measuring instruments, process instrumentation, supply house, maritime navigation / communication, condition monitoring and calibration.

Our head office is located in Larvik with branches in Stavanger and Bergen. We are a part of the IKM Group.

---

## ***The solution***

IKM Instrutek AS is a leading provider of rotation management systems and calibration instruments to the shipping industry.

We manage the system for our customers, ensuring traceable, calibrated and certified instruments. This will be carried out by our own calibration laboratory or in specific cases by one of our partners.

Basic test case MTS-500 Covering E0 requirements in SOLAS.

Everything you need in one case

The test case comes with all the instruments you need, together with all certificates required.

Full management system

Together with our worldwide partners, our rotation system makes sure you have traceable, calibrated and certified instruments at all times.

Our worldwide network provides distribution of Calibrated instruments where your vessel is.

# Tankers/ FPSO

Calibration kit includes:

5TC65M01-00	Temperature Calibrator TC65M, 30 - 650°C
5PM2050700EEX	Pressure Calibrator PM205, 700 bar Ex
5PM2050060EEX	Pressure Calibrator PM205, 60 bar Ex
FL28IIEEX	Intrinsically Safe True-RMS Multimeter
FL707Ex	Intrinsically Safe 707Ex Loop Calibrator
FL376	Current Clamp AC / DC True RMS. 0-1000A with iFlex
HIIR4056-20	Insulation tester 50 til 1000V
5MTS68HP60H	Calibration Kit (68) for TC/PM, -0,95 to 700 bar
INADAPTERKIT3	M16x2 Female to 1/4" BSP Male for Danfoss test manifold
SK002	Test flange Ø 40mm

Option - personal gas detection:

MSA10110711	AltAir 4X, LEL(4.4%), O2, H2S, EUROPEAN power supply, ATEX
MSA10119630	Altair 5X Color/Pentane %LEL/O2 0-30%, CO 0-1999 ppm & H2S 0-200 ppm/CH4 0-100 %/vol
MSA10065833	Sampling line PU, Conductive 5m
MSAD6071039	Floating probe w/o line GT Gas-Tester 5140 Tubes, please specify (large selection available) : DT Benzene-5 ETW, 10/pack.

# Platform Supply Vessels-PSV/ Anchor Handling Tug Supply-AHTS/ Construction Support Vessels-CSV

Calibration kit includes:

5TC65M01-00	Temperature Calibrator TC65M, 230V, 30 - 650°C
5PM2050700	Pressure Calibrator PM205, 700 bar
5PM2050060	Pressure Calibrator PM205, 60 bar
FL725	725 Multifunction calibrator
FL177	Multimeter True RMS
FL376	Current Clamp AC / DC True RMS. 0-1000A with iFlex
HIIR4056-20	Insulation tester 50 til 1000V
5MTS68HP60H	Calibration Kit (68) for TC/PM, -0,95 to 700 bar
INADAPTERKIT3	M16x2 Female to 1/4" BSP Male for Danfoss test manifold
SK002	Test flange Ø 40mm

Option - personal gas detection, Supply/AHTS/PSV:

MSA10110711	AltAir 4X, LEL(4.4%), O2, H2S, EUROPEAN power supply, ATEX
MSA10065833	Sampling line PU, Conductive 5m
MSAD6071039	Floating probe w/o line

# Bulk/Cargo/ Container

Calibration kit includes:

5TC65M01-00	Temperature Calibrator TC65M, 230V, 30 - 650°C
5PM2050060	Pressure Calibrator PM205, 60 bar
5MSTS61LP40	Calibration Kit (61) for TC/PM, -0,95 to 60 bar
INADAPTERKIT3	M16x2 Female to 1/4" BSP Male for Danfoss test manifold
SK002	Test flange Ø 40mm

Option - personal gas detection:

MSA10110711	AltAir 4X, LEL(4.4%), O2, H2S, EUROPEAN power supply, ATEX
MSA10065833	Sampling line PU, Conductive 5m
MSAD6071039	Floating probe w/o line

# IKM serviceweb

Contact us for license and log on!

## Why service web?

- Full overview of equipment
- Service history
- Service reports
- Certificates
- Recommendations
- Overview of ongoing services
- Automatic summoning of GMDSS survey
- Automatic summoning of several services

## IKM Serviceweb

This is a service monitoring system that ensures extremely good monitoring of customers and their ships. Our goal is to be the expert and the "single point of contact" partner that can perform most services in our field and ensure that companies save huge costs to deal with one partner.

## IKM Instrutek provide repair & retrofit to deep sea vessels worldwide

We seek a strong partnership with our customers and are committed to provide the best service round-the-clock. Our service engineers are highly qualified and are kept updated through continuous training and on-the-job practice. In addition to installation and ad-hoc service, they will provide you with support when you need it.

Should it be more convenient to utilize a service provider closer to the vessel, our worldwide network will be at your hands. Let us coordinate your service needs 24/7/365.

Our unique web service offers an easy, accessible and transparent solution to our clients. Here you will be able to monitor the status of ongoing services and plan surveys and maintenance at a single point-of-contact.

This will save you the time and the cost you normally spend while dealing with several companies instead of leaving the job to us.

The screenshot displays the IKM Serviceweb interface. On the left, a navigation menu includes: Ship Info, Service Overview, Equipment List, Equipment Service, Documents, Supplier Contact Info, Purchase Order (PO), and FAQ. The main content area is titled "Equipment Service" and features a calendar for June 2012. The calendar shows a grid of days from 1 to 30, with a vertical yellow highlight on the 18th. To the right of the calendar, there are two "Last service" entries for the 18th, each with a "CT Interval" of 365 days. Below the calendar, a list of equipment systems is shown, including: Bridge alarm KW810, System DS-80, System FA-150, System FAR-21370, System FCR-2117, System FE-700 50KHz, System Falcom-15, System Falcom-R00, System GP-90, and System NX-700. The interface also includes "Month View" and "Week View" buttons at the top right of the calendar area.
