## PremiumCare

Uptime Protection by **FLUKE**

### Repair manufacturing defects

Ensuring that your equipment functions as intended maintains accuracy and reliability, thereby reducing downtime and ensuring the longevity of your Fluke product.

### Accidental damage and repair

Avoid costly repairs and rest easy knowing your test tool is covered.

### Replacement of damaged accessories

Accessories that originally shipped with your unit, like batteries, power adapters, probes and cables, and have been qualified as defective by our technicians will be replaced, free of charge.

### Annual calibration or performance check

Ensure your test tool is providing accurate results and adheres to the recommended maintenance schedule by leaving it in the hands of our experts.

### Expedited calibration and repair

Your calibration or repair will be expedited so you can get back to your work faster.

### Expedited shipping

Accelerates the shipping process and reduces the time your equipment spends in transit. By minimizing the overall turnaround time, we can ensure that your product is back in your hands and operational as quickly as possible.

### Priority tech support

Ensures prompt assistance and resolution of technical issues, minimizing downtime by quickly addressing any problems or concerns with your equipment.
